

## IN MEMORY

Please note persons listed on this page are classmates whom we (the Class of 1981) attended junior and high school with (the Classes of 1979, 1980 & 1982-1984), faculty, staff and persons with a direct connection to any classmates from the 1979-1984 classes.

Those marked with (\*) passed away before their graduation

In the case of children and/or grandchildren they are only listed here if there is a direct connection to someone from the 1979-1984 classes, faculty or staff member.

So for example if someone from the Class of 1980 died and they had siblings in the classes of 1977, 1981, 1983 & 1985 only the siblings from the 1981 and 1983 classes would be listed since we (the Class of 1981) did not attend school with the 1977 & 1985 classes.

Again, this list would not include those from/connected to the classes prior to 1979 or the classes of 1985 to present.

Trying to compile a full listing of all deceased members from all classes of
